Mr. Butler:

DHEC is in receipt of the attached Directive from the Public Service Commission of South Carolina. Below are some suggested guidelines.

- Mask use and social distancing should be encouraged and enforced.
- If possible, plexiglass barriers should be erected between the audience and speaker podiums.
- Shared microphones or podiums should be disinfected with an EPA approved chemical in between uses.
- Plan on a venue for which the normal maximum capacity is twice what the expected attendance is. Capacity should not exceed 50%.
- If there will be more than 250 attendees, please refer to the [event exception process](#) from the Department of Commerce.
- Electronic pre-registration is encouraged rather than traditional sign-in with pens and clip boards as it eliminates surfaces that have to otherwise be disinfected.
